FUNDRAISING

Board members play a key role in raising funds for our organization through their contacts with potential donors and participation in periodic fund drives. We ask that every board member make a personally significant contribution on an annual basis. How can the organization support you as you participate in fundraising activities?

TIME COMMITMENT

Board service is four to six hours per month. In addition to bimonthly meetings, each board member is expected to serve on at least one board committee, a true commitment of time and energy. Do you have any concerns or potential conflicts that may serve as impediments to this time commitment? If so, how will you manage the demands on your time?
